ENJOY THE BENEFITS OF HOSTING YOUR NEXT EVENT AT OUR MEXICO RESORTS

To qualify for the 0% VAT TAX rate, specific guidelines are established in article 29 the VAT TAX law:

1. Applies only to foreign tourists who enter the country to participate in congresses, conventions, expositions and fairs and excludes ALL incentive travel (an award trip given to people in recognition of good work performance or for any other reason name given to such incentive travel).
2. The exemption of the 16% VAT TAX also relates to hospitality services such as: accomodations, airport-hotel transportation, audiovisual, food & beverage and other services managed by the hotel when given as part of the hotel package. In addition, hotel services given two nights prior and two nights post the main event are included in these services and elegible for the reduction of the VAT TAX to 0%.
3. Payment for the group MUST be paid in one of two ways:
 - By credit card that is issued by a bank outside of Mexico.
 - Wire transfer of funds from a bank outside of Mexico.

Any other form of payment would be unacceptable and invalidate the exemptions of the 16% VAT TAX.

4. In order to be elegible, the following is required from the group participants at check-in:
 - Copy of immigration card (given to the tourist upon arrival to Mexico).
 - Copy of passport or birth certificate.
 - Completion of registration card, including signature of he participant.

General conditions:

- Individual consumptions will not be allowed the 16% VAT exemption.
- There is a 3% room tax that is charged to all groups, irrespective of the VAT TAX exemption status of that group.
